*Dear parents, coaches and athletes:*

*At Bobby Hauck's Football Camp, the Montana coaching staff has a few main goals in mind - that each camper has fun, improves technically, and that each team becomes more fundamentally sound in preparation for their season opener this fall.*

*Our emphasis will be on what we do here at Montana. Offensively, we will focus on improving the running game and passing game skills of our campers. On the defensive side of the ball, we will focus on coverage skills and pass rushing skills. Instruction by position will occur both in individual sessions with Griz coaches and in eleven on eleven, full contact periods.*

*We believe the combination of quality instruction and strong competition will result in a great experience for each camper, and in turn, we feel this will lead to improved individual and team play this fall.*

*The Grizzly coaching staff looks forward to seeing you on our scenic campus this June.*

*- Bobby Hauck*
